Small Grants STEM Education Program --- Organization and Project Pre-qualification Questions

IS THIS A STEM EDUCATION PROJECT?

STEM (Science, Technology, Engineering and Mathematics) Education grants support STEM activities in the areas of:

- teacher professional development
- curriculum enhancement
- educational technology
- student support

LANL Foundation Small Grant Application

Proposal Summary

Small Grants STEM Education Grant Program

The Small Grants STEM Education program is designed to provide timely support to schools and other nonprofit organizations for STEM education projects. Small grants are competitive, and the maximum award is \$1,500. STEM Education Grants support organizations addressing critical public education needs in the areas of science, technology, engineering and mathematics (STEM), including STEM activities in the areas of teacher professional development, curriculum enhancement, educational technology, and student support.

For a detailed description of eligible STEM activities go to <http://www.lanlfoundation.org/Grants/whatisstem.htm>

Important Information

Applicants that received LANL Foundation grants in PRIOR YEARS, and DID NOT COMPLY in full with the terms of the FUNDING AGREEMENTS are INELIGIBLE to receive Small Grants and will be disqualified.

Application submission dates: Applications may be submitted monthly, January thru November, and are due on the 15th of each month. Applications received after the 15th, will be considered in the following month's grant cycle. Organizations may apply one time in the calendar year.

Before completing this application, be sure you have all necessary paperwork ready to upload. If you do not have your documents ready, you may click the SAVE AND FINISH LATER button. You may return to the application at a later time.
