

New Mexico Home Visiting Summit

Raising Our Children, Elevating Our Profession

LANL Foundation in partnership with CHI St. Joseph's Children; New Mexico Children, Youth and Families Department (CYFD); Native American Professional Parenting Resources (NAPPR), and University of New Mexico's Cradle to Career Policy Institute (CCPI) have created a strategic partnership to host this special event.

Each organization is a trusted name in early childhood support. That same trust can be connected to your name, company, brand, or personal values with a sponsorship of the 2018 New Mexico Home Visiting Summit.

Thank you for considering a tax-deductible sponsorship that will support this learning event for home visitors and early childhood professionals across the state.

Sponsorship will place you or your business in front of approximately 300 educated, informed, and socially connected summit attendees. The added benefit of a display booth can engage the audience in what your business offers.

Both days feature knowledgeable speakers and breakout sessions of presentations followed by facilitated discussions.

Sponsor seating will be reserved upon request.

To become a sponsor, please fill out the accompanying form and return it to the LANL Foundation.
